Capability Statement

Bartley Industries, Inc is a family-owned construction company offering electrical construction and maintenance, corrosion services and cathodic protection. Bartley Industries is led by Donna Bartley, President. We are one of Oklahoma's leading electrical contractors and offer subsidiaries that are dedicated to serving the petroleum industry (oil and gas), industrial companies (asphalt plants and water treatment plants) and commercial venues (schools, hospitals, big box venders, etc). Bartley uses our 40+ years of industry experience to make a positive impact on our community by producing only the safest and most reliable corrosion expertise and wiring services. We also offer 24/7 emergency maintenance and repair services to be there when you need us most.
