COMPANY PROFILE

Military Hiring Accelerator LLP is a premier recruiting and staffing agency established in 2019 based out of South Carolina with a nationwide reach. With extensive industry experience and unique technology processes, we are confident in our skillset and ability to place qualified individuals that will bring value to your organization.

The Military Hiring team has completed 70 successful placements to date and attributes a portion of this success to our excellent process that develops a roadmap for matching the perfect individual to a specific project. We are proud of the veterans we have placed who are excelling in their positions and look forward to advancing further organizations and veterans.

VISION

Military Hiring Accelerator is a mission-based company focused on accelerating the bridge between transitioning veterans and business organizations.

MISSION

To eliminate underemployment by using skills and personality assessments to ensure career interests, abilities, and fit for each veteran. This ensures a smooth transition and longevity in the first job post service.
