

TeamingPro AutoConnect

Automate your small business discovery

Automatic Campaign Creation

- One-click campaign creation from contracts and opportunities
- Create campaigns for any small business outreach, opportunities, events, etc.
- Easily update AutoConnect details or “quick-launch” with the pre-filled information

Customizable Targeting

- Recommended AutoConnects with qualified recipients served daily
- Filter AutoConnects to only contact relevant companies
- Specify your interests and hone in on qualified companies

Immediate Results

- Connect with interested, qualified companies within 24 hours
- Vet and DM from your campaign results page

Immediately expand your small business outreach to our active user base of 20K+ small businesses, and growing.
